

Critical Information Summary

Unlimited Broadband and Home Phone

Information About the Service

The Naked ADSL and Home Phone Bundle service is a residential service that allows you to experience the benefits of ADSL2+ speeds without the cost of line rental and includes an optional home phone service. The home phone service is a limited "Voice over Internet Protocol" ("VoIP") phone service that allows you to make and receive calls using a broadband connection. There is a limit of one MyRepublic home phone service per household.

Bundling requirements

MyRepublic does not require that you bundle this service with any other service.

Equipment

You must purchase a MyRepublic Modem for \$99. Pricing includes delivery. You must provide your own phone handset for use with the Home Phone service.

Minimum service term

This service comes with the option of either a Month-to-Month plan with no lock in term or a plan with a 12-Month minimum service term.

Limitations & qualifications

This service is available to residential users, is a residential grade service & may not be available in all areas or premises. There may be technical or commercial reasons that affect our ability to connect a service at your address. This service, including '000' dialling, will not function in the event of a power failure or disruption or an Internet outage. This service is not suitable if you are a customer with a serious illness or life threatening condition, if you require disability services, if you have a back-to-base home alarm system or if you require an uninterrupted phone line. MyRepublic does not offer Priority Assistance with this service. You will not be able to dial Satellite or Premium rate destinations (including but not limited to Immarsat, Thurya or Iridium numbers).

VoIP Numbering

You can select to transfer your phone number to MyRepublic or we can provide you with a phone number which will be allocated from the number range of your closest capital city (which will be "out of area number" if you are not located in that city). If you have an out of area number, calls to and from that number will be charged as if you are located in the standard zone unit (calling area) for the number, and you may not be able to port the number to another provider.

Installation

You may require a technician appointment to have your service installed. You must obtain permission from the owner of the property (if this is not you) and be over the age of 18. We do not support professional installation or in-home wiring.

Connection Fee

MyRepublic does not charge a connection fee for customers who are transferring an existing service or activating a new service where there is existing Telecommunications Infrastructure.

Broadband Line Speed

This service is an ADSL2+ service. Actual speeds will vary due to a number of factors such as the distance from an exchange, the network connecting the exchange, your equipment, software and internet traffic. Devices connected by Wi-Fi may experience slower speeds than those connected by Ethernet cable.

Information About Pricing
